Dear Residents,

Cherokee County is fortunate to have a multitude of agencies and resources available to our residents and guests. To meet the increasing need for information regarding available resources in our community, it is my pleasure to present to you this Resource Guide listing various agencies that are available to you, your family and friends. The information in this guide is written in English and Spanish, and is a collaborative effort of the Cherokee County Board of Commissioners and the Chairman's Diversity Task Force, a group of volunteer community leaders.

The agencies listed herein are governmental, social and faith-based, and the descriptions are a general summary of services. Should you need detailed information, please call the agencies directly to find out if they offer the services you need, along with schedules and times that apply to their particular service and site location.

Thank you to all who worked in preparing this guide. I trust that this Resource Guide will be useful to the residents of the County.

Sincerely,

Mike Byrd
